

WELCOME TO THE ALKI PARENT TEACHER ASSOCIATION

The Alki Parent-Teacher Association (PTA) is a non-profit organization, driven by inspiration, supporting student enrichment opportunities within the community.

Welcome Alki Families!

The Alki Parent Teacher Association is a parent-driven volunteer organization dedicated to the social and academic enrichment of all our students and families. Our organization collaborates closely with Principal Deese, our educators, and families to provide volunteer and financial support for programs and activities that would otherwise be well beyond our school's budget or time constraints. They include:

School Operations and Educational Programs

For 2019-2020 school year our school grants will fund our school counselor and hourly support staff (which includes Playground Supervisors, Office and Health Room Assistants, and Lunchroom Supervision), Classroom Discretionary Funds, and Writers in Schools Program (WITS).

Enrichment & Community Building Events

Kindergarten Social, Back to School Events, Fall & Spring Parent Breakfasts, Staff Holiday Luncheon & Appreciation Week Celebration, Bike to School Events, 5th Grade Breakfasts, Movie Nights, Legislative Advocacy, and Reflections National Arts Program.

Volunteer Support for Self Sustaining Programs

Annual Auction, Alki-a-Thon, Running Club, Box Tops, Scholastic Book Fairs, Spirit wear, Yearbook, and Musical.

As a board, we'd like to reflect that we do more than provide grants and coordinate volunteers. Critical to our success, and perhaps more importantly to the success of our school and our students, is our school climate. Each one of us is accountable for creating a welcoming school climate that is inclusive to all families and equitable to all children, doing so benefits every child.

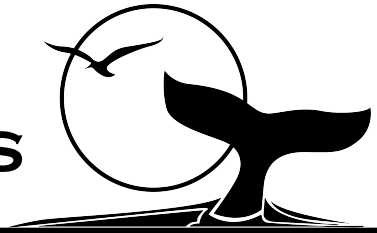

There will be many opportunities this school year for families to weigh in and get involved as we assess, digest, and work to improve Alki's climate ensuring it is optimal for our children to learn and succeed in.

Our vision is only as diverse and complete as our membership, and every family is an honorary member of our PTA. While we encourage all who support our mission to join the PTA and become involved in a way that fits your time and interests, it is your voice we want to hear and your experience we value as we begin this important work.

With Respect,

Your 2019-2020 Alki Elementary PTA Board

ALKI PTA EXECUTIVE BOARD

Tom Harris, President

[president@alkipta.com]

Tom is the father of seven-year old Sam Harris, who is a second grader at Alki Elementary this year. Tom is a stay-at-home dad, he has had his own interior design company since 1993 and has also worked in manufacturing and importation in China since 2002. He is excited to be a part of the close-knit Alki community and is committed to ensuring a safe and enriching environment for all of the children who attend Alki. He is a firm supporter of our teachers and all those who work to make Alki a great place. His goals for the coming year include facilitating access to participation in school life for the parents of all children and to bring greater resources for, and awareness of, our diverse families.

Melanie Granger, Vice-President

[vp@alkipta.com]

"Hello Beautiful people! I've been an Alki parent for three years, and counting. I have a little origami king named Taj, who's in third grade at Alki. Taj has spent some of his most important years at Alki, with some amazing teachers and staff. Alki Elementary is a progressive school that instills essential characteristic traits that our children will carry into their adult years. For this I am grateful. I am interested in joining the PTA to encourage and build a more inclusive community within Alki and outside of Alki. A little bit about myself you ask. I was born and raised in The Motor City, Detroit, MI. I lived in California for 9 years, pursuing my career as a wardrobe stylist for entertainers such as PitBull, Ice Cube, and KIDZ BOP to name a few. I've participated in many philanthropic endeavors throughout my adolescence and adult life. I am co-creator/founder of One Million Tampons, a

campaign that collects menstrual product and distribute throughout Seattle to ones in need. I'm a skateboard mom. I run an indoor play space called "WE FREE HEARTS", for children 6mos-6yrs at the South Park Hall in South Park. I have a band called Push4luv that performs throughout Seattle."

Nicole Bryant, Treasurer

[treasurer@alkipta.com]

Nicole has been a proud Alki parent since 2012. She and her husband, Mike, have two boys, Jackson (5th grade) and Dylan (7th grade at Madison). Nicole has sought out ways to volunteer, including PTA art docent and in-class assistance, that could flex around her active work life as a Tax Director for PricewaterhouseCoopers ("PwC"). Nicole's company tracks the hours she works on this non-profit board and for youth volunteering and turns those hours directly into \$\$ for Alki via company donations. Win, Win!! She enjoys 5k races, wine club (oops, BOOK club), concerts, any sort of competition/team events, and coaching youth sports.

Mel Spiker, Secretary

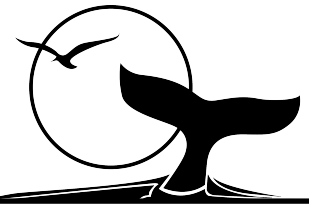

[secretary@alkipta.com]

"This is my second year as PTA Secretary, and I'm tasked with revising last year's bio. But I'd rather speak about the board as a whole this time around. We are united by our own unique experiences that lead us to filling our PTA roles, and we spent a couple days this summer sharing where we are all coming from... whether a family of professional educators or multi-generational ties to West Seattle, a keen queen bee buzzing about everything communications, or a free heart capable of mobilizing a community to bring dignity to women in the streets of Seattle, we have an analytical problem solver and a relentless number cruncher, and then there's this guy that NEVER imagined he'd find himself here but realizes now there's nowhere else he'd rather be. So here we all are,

positioned to make moves and improve our school climate and strengthen collaborative relationships. I hope our community will lean in to co-create a framework that will help our children feel safe and supported as they learn to come into their own versions of themselves. Our work will provide a foundation that will support Alki's continuous improvements to benefit the next wave of children and families. Let's get this party started!"

ALKI PTA BOARD OF DIRECTORS

Dale & Jen Ross, Fundraising Chair

[fundraising@alkipta.com]

Jennifer comes from a family of educators and school administrators and is committed to uniting the families, teachers, staff and the community to support the students. Professionally Jennifer is a licensed Interior Designer who has an independent practice as well as works part time for an Architecture firm. Jennifer's greatest joy is raising her two active children (Gavin- 1st grade & Brandon - future Alki student) alongside her husband. Together the family enjoys exercising their herding dogs, playing sports, cultivating their garden and working as a team on home renovation projects.

Dale comes from a long line of Alki Elementary Alumni, including his Grandfather, Grandmother, Uncle and Sister. Dale is born and raised in West Seattle, a local real estate broker and has a degree in Business Marketing. He is an entrepreneur by profession and enjoys networking, meeting with local business owners and families of West Seattle. He hopes to utilize his skill set to serve the staff, students, and community at Alki Elementary creating a community based relationship where the students benefit. In his spare time he enjoys traveling, tackling remodeling projects, and coaching baseball. Dale and Jenn enjoy working as a team and are looking forward to becoming more involved with the PTA and Alki Elementary.

Mike U-B (Uehara-Bingen), Membership Chair

[membership@alkipta.com]

"My daughter Celia is currently in the 2nd grade at Alki, and my son Kaio will start Kindergarten in Fall 2020. As we begin our 3rd year in the Alki Elementary Community, I am inspired by the many parents and staff who find ways to improve the school, within PTA or otherwise. I am grateful, and quite eager to support these efforts."

Laetitia Rettori, Member-At-Large

[laetitia@alkipta.com]

"This is my 4th year as an Alki Parent. I have two kids, Oscar and Henri who are in 3rd grade and 1st grade. We have been very impressed with the staff and families at Alki Elementary. It feels great to be part of such a welcoming community that has the kids' interest at heart. I love that kindness and inclusion are a big part of the School's focus! I'm originally from France, so I was raised in a very different system, both culturally and academically. I am learning a lot about Education in America, including the importance of having an active PTA in the School."

Ali Pankop, Communications Chair

[info@alkipta.com]

Both Ali and Emily are excited to return to the Alki PTA Board for another year. Emily has a 5th grade daughter and Ali has two daughters - 3rd grade and kinder. They love that Alki Elementary is a small school, because it means having the opportunity to engage with other Alki families, teachers and staff in a meaningful way. They want to encourage that community feeling through our PTA sponsored events and programs where families and friends can come together.

Emily Anderson, Events Chair

ALKI FUNDRAISING

Alki PTA focuses our efforts on **two** main fundraisers a year (Fall Auction and Alki-A-Thon) along with a handful of other fundraising events that support our local community and strengthen our own. We strive to limit the amount of fundraising that we ask of our families and community.

ALKI AUCTION

Don't miss the Alki Annual Auction on November 16, 2019 at the Hall at Fauntleroy. Not only Alki's biggest fundraiser but the biggest party of the year. Sit down dinner, Dessert Dash, Silent Auction, Live Auction, Raffles, Games and Prizes. Meet Alki families and raise your paddle for Alki students. This year's theme is Viva Las Vegas and is sure to be a night to remember!

ALKI-A-THON

In the spring, we lace up our sneakers and head outside to walk, run or skip around a course set up on the play field to promote healthy habits. This fundraiser is a fun and exciting event for all staff, students, and families as it builds school spirit. Colorful souvenir t-shirts, snacks and a DJ make this fundraiser fun and exciting for students, staff and parents as it builds school spirit. Parents and families are welcome to attend.

ALKI DAY WITH SEATTLE TEAMS

Purchase tickets for your entire family for a day of fun as we cheer on the Seattle Sounders FC in the fall and Seattle Storm in the spring. A portion of the proceeds supports Alki PTA.

ALKI DINES OUT

Bring your family, invite your friends and don't miss this tasty way to support the Alki Elementary PTA. Throughout the year we partner with local restaurants and promote an evening "Dine Out for Alki!" and a percentage of the nights' proceeds go to Alki PTA.

Staff Appreciation Week (May): Help us show the staff at Alki how much we appreciate the work they do all year long with a little pampering each day during this week in May.

Parents are welcome to attend. Lap games, music, snacks, beverages & a souvenir T-shirt highlight the day. The event takes place during the school day, outside on the Alki play field in late spring, rain or shine!

End of School BBQ (June): The annual end-of-the-school BBQ celebration takes place in the evening and gives families an opportunity to mingle with other Aki Families. Enjoy hot dogs fresh of the grill and healthy treats provided by families.
