LETTER FROM PRINCIPAL DEESE

Aloha Alki Elementary Families,

Our PTA's motto for the year is "everyone belongs, everyone matters." What an amazing and important message that we want to share across our community and beyond. This also fits well within our character trait/virtue for the month, safety & belonging.

It is our paramount duty to keep students safe at Alki and it is also highly important that all students and their families feel like they belong at our school. Students will be doing learning around this trait in their classrooms and through our Monday assemblies this month. Do you feel included in our school community? Are there things we could be doing to improve that experience for you? We want to hear from you, here are some ways to get your voice heard:

We are Alki Seagulls and We BELONG!

October 26th (8:00 AM): School Safety

LETTER FROM THE PTA PRESIDENT

Welcome to October! The highlight of my September was the Back to School BBQ hosted by Erin and Erin Kelley. This was their last year hosting this particular event and if you see them please take a moment to express your gratitude to what they've given to our community over the years. They're around through the end of this year which means it's the perfect time for our next Back to School BBQ host to step in and assume the mantle while they are still around to answer questions and share whatever magic makes that event run so well (Erin mentioned they have never been rained out for that event which means they've got something going on!). Reach out to events@alkipta.com if you'd like to host next year's BBQ.

In this month we meet on the sidewalk for Walk to School Day (Oct 10), enjoy our first day off from school (Oct 12), and give a nod to the Heroes in our life while noshing on donuts before school (Heroes and Donuts, Oct 17). Capes are not required for that last one but as long as they don't stay on for school we aren't discouraging them either :).

Our kids are going to be hearing about Safety & Belonging this month, and about what it means to feel accepted. When I was a kid I thought a lot about what it meant to be accepted by a group, and how I could change myself in order to belong. As I age I see how that intention needs to be flipped on its head - first I need to accept myself for who I am, and then I can find a group who likes me for me. I know it's largely in-one-ear and out-the-other with the things I tell my kids, but I hope it doesn't take them as long as it took me to figure that out. I've seen this sense of belonging modeled again and again by our students - from the girl who held my daughter's hand as they marched in to their first day of kindergarten together, to new kids sprinting around the playground as if they've been in our community all along. I hope we adults are modeling this belonging and acceptance as well as our kids are modeling it for us.

You belong (we all do!),
Jenna Andersen, Alki PTA President

We will be showing **Wreck it Ralph (PG.)** If you are unfamiliar with the movie please visit: www.common sense media.org for parent reviews to see if it is suitable viewing for your children.

Childcare supervision will be offered by West Seattle High School students earning service learning hours. In order to be compliant with Seattle Public Schools we need one adult for every 10 students in our care.

Please sign up to supervise our Movie Night when you register your students for childcare at: tinyurl.com/alkicurriculum2018. If you are a household with two adults available to attend that evening, please consider splitting your time so that one of you attends Curriculum events and one helps manage the kids in the gym, especially since this is not an option for households with only one guardian able to attend.

Alki Seagulls Soar Through Reading

When we read we travel all over the world, to space and to fantasy lands. The **Alki Seagulls Soar Through Reading Form** is one way we are going to document our reading this year. When your student/family finishes reading a book which you traveled somewhere to please take a selfie of your reader/family, download the form, fill it out, insert the selfie, print it out in color and send it to school. We will make sure it gets posted on our map wall for all to see. If you traveled to a "new" land feel free to send in a handmade map of the "new" land. We would love to add those maps to our map wall as well. If you have any questions or can't get the form to work please email Mrs. Iba lhiba@seattleschools.org. Have fun in your reading travels!

2018 WASHINGTON STATE PTA LEGISLATIVE ASSEMBLY

October 20-21

Green River College, Auburn

www.wastatepta.org/events-programs/legislative-assembly

Every year PTA members from across Washington state meet for two days to discuss issues our students are facing. As representatives of our communities, we vote to prioritize these issues. Here is information about the issues being proposed this year: www.wastatepta.org/events-programs/legislative-assembly, click on Guide to Proposed Legislative Principles, Legislative issues and Resolutions.

There are several ways to voice what you think WA State PTA should be focusing on:

- **Take Advocacy Issues Survey - please take by 10/5!** This PTA online survey helps identify the TOP 5 issues that are most important to our school. The issues cover a wide spectrum of policies from access to school meals, closing the opportunity and achievement gaps, pre-school, recess, SEL, teacher shortages, gun safety and more. Your voice matters, please take a few moments and let us know what's important to you and your family. www.alkipta.com/2018/09/legislativesurvey2018
- **Attend the Legislative Assembly** - There are still spots open for voting delegates for Alki, however, even if you attend as a non-voting member you can speak up and help shape the direction of advocacy for Washington State PTA.
- **Email me!** I'll be going to Legislative Assembly, if there is an issue that you feel is important to support or raise, please email me. advocacy@alkipta.com

Each month my goal with this article will be to research and share what is going on around advocacy and legislative issues that impact schools and kids. Whether you are a policy buff or new to the issues, I hope you'll find the information here relevant, actionable, and easy to understand.

Students across Seattle are counting on us. Let's work together to stay informed and advocate on behalf of kids, schools, and all communities. Together we can make a difference! -Vanessa Longacre-Wilcox, Advocacy Chair (advocacy@alkipta.com)
