LETTER FROM PTA PRESIDENT TOM HARRIS

Alki Elementary community! As I'm sure most of you are aware, 2019's Viva Las Vegas auction was a great success! The totals are coming in and they are mind blowing! Our community has once again demonstrated endless bounds of generosity, in the spirit of supporting all students at Alki Elementary.

The entire auction committee team worked tirelessly, and their enthusiasm was contagious as they canvassed our community to procure items for the auction to benefit our school and to support our children. It was humbling to say the least. **Shelley Kurtz** and **Mark Turpen** were like the perfect storm, as they kept their team's morale high and everyone motivated until they crossed the finish line with an unprecedented success. When you see them, make sure you give them a fist bump and a hearty thanks, and congratulate them on a job well done!

Our general membership meeting scheduled for December 4th could be one of the most important meetings this year, with the potential of influencing our budget and shaping our philosophy of how we fund our school for years to come. Please attend to gain insight on the sustainability of our finances, and to voice what you think is important to the health of our school and organization's financial well being.

This school belongs to all of us and you can have a say in how our budget is shaped. I ask for everyone to understand that we may not agree on everything, but that doesn't mean we have lost sight of how important supporting our school and our children is. All we have to do is look at how respectful our kids are to one another and let that be our compass. They have a lot to teach us.

ALKI AUCTION UPDATE

Thank you for all of your support for our wonderful community with this year's auction fundraiser. We set out to create a focus on ONE ALKI and we did it! We celebrated our teachers, staff, parents, friends, local businesses and most of all, our kiddos who took front stage as "Our Why" with smiling faces, one of a kind "Angels of Alki" ornaments and special classroom kid art, not to mention a whole lot of fun and fundraising. This year's auction brought in over \$147,000 and counting. That's \$40,000 more than last year, thanks to YOU! It was especially rewarding to see so many new faces in the crowd.

Putting on a special event is a lot of work and we couldn't have done it without hundreds of volunteer hours from parents and generous in-kind support by hundreds of businesses.

This year's auction had so many unique items and new donors, thanks to outreach by our 'Volunteer of the Year', **Courtney Teitler** and her family. We were joined by a team of dozens of volunteers and would like to thank everyone who contributed to the auction. Special kudos to **Lee Anne Hughes** for many late nights as well.

Even though our trip to Vegas is complete, there are still 5 important ways to help push us to the finish line over our \$150,000 milestone and create more opportunity for Alki Elementary kids, our teachers and the support staff.

- 1** - Purchase one of a kind buy-in parties or specialty items in the online catalog before they're gone at <http://tinyurl.com/alki2019>. **Fun fact:** Over \$10,000 has been raised from online sales.
- 2** - Shop small and find a special ornament or kid pic (or both!) on display in the Alki office for only \$20 each and take home special holiday treasures. Checks can be dropped in the Alki PTA mailbox or payment can be made online by emailing auction@alkipta.com. **Fun fact:** Each ornament is hand painted by Alki kids and multiple kid prints can be ordered as gifts.
- 3** - Make an online donation through the Direct Give portal and encourage your friends and family to donate to the cause at <https://tinyurl.com/Alki2019>. **Fun fact:** Hammer & Hand Home Builders donated \$2,000 to our auction fundraising because of a direct ask!
- 4** - Turn in your receipts to employers for matching funds. **Fun fact:** over \$5,000 is coming to Alki through employee matching!
- 5** - Join us at the Dec. 4th PTA meeting and vote your approval to dedicate important dollars to funding gaps. **(Not so)** **Fun fact:** Currently, Alki Elementary only receives funding to allocate a school nurse 1.5 days a week.

It takes a village to raise our kids in a healthy environment and we are so grateful to be a small part of creating ONE ALKI with you. Thanks for going #allin4alki

Special thanks to our platinum sponsor

LETTER FROM PRINCIPAL DEESE

Aloha Alki Elementary Community,

Our character trait/virtue this month is **kindness and gratitude**. This is my favorite month at Alki because the virtue of kindness is the most important in my family. My mother raised me in a single-parent household and worked over 40 years in Public Housing. As you can imagine, I spent much of my childhood at her workplace, learning life lessons about the importance and value of kindness and community. I remember being surrounded by a community who cared and supported one another through hardship and celebrated with one another in times of joy.

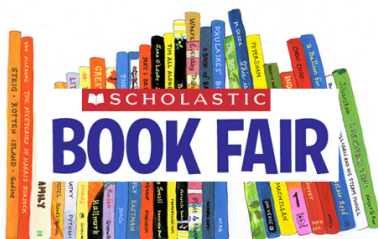

This month, I have challenged our entire school community to commit to one special, deliberate act of kindness each day for the month of December. Each student has received a blank calendar to fill in each "act of kindness" completed. Students who complete and turn in their calendar will receive a special "heart" charm that I will hand deliver personally and thank them for spreading kindness throughout our school and the world! This calendar will be in the Friday Flashback and available in the school office if you want to participate too!

I am also filled with gratitude for our Alki Community. Words just don't seem adequate to thank all of you for your generous donations and support for our school. Thank you to **Shelly Kurtz and Mark Turpen** and all of our auction volunteers for putting on such a great event and for all the generous donors who gave us the miracle we needed to continue all of our amazing programs and staff at Alki!

Much love and appreciation,
Rena Deese
Alki Elementary Principal

THANK YOU!

Thank you Alki community for showing up and leaning into each other at our Families of Color Seattle event last month.

Christine Tang and Kristina Clark were remarkably empathetic as they created a safe space for us all to be honest and forthcoming with our experiences. They provided context and facts about the history of racism in our country, and skillfully facilitated a group dialogue that we believe deeply affected all who attended. We left with a better vision of how we can organize to dismantle racism within our community for our children's well being.

I definitely feel more connected to the community after the event, and it was encouraging to see so many show up to do this important work.

We'd like to personally extend a warm and genuine thank you to **Emily and Tom Harris** for bringing our community together for this important conversation. They saw a need and didn't hesitate to come out of pocket for our community.

Stay tuned for a list of books for our children and information about a book club families can join to keep an open dialogue on the subject.

-Mel Spiker, Alki PTA Secretary (secretary@alkipta.com)
