Kids welcome!

We invite you to join us for our first membership meeting of the school year!

When: Tonight, September 20, 2022 6pm - 7pm

Where: Alki Elementary Library (in person)

Membership is not required to attend and kids are welcome.

We are excited to kick off the new school year and share what we have planned for our community.

When: Thursday September 22nd from 6pm - 7pm

Where: Alki Elementary School

- This year at Alki we are merging traditional curriculum night with a fun and engaging community/family event.
- This "open house" style event will allow you and your child to explore their classroom and what they have been learning in the first few weeks of school. Teachers will be on hand to greet and mingle with families.
- We will also have presentations from our Social Emotional Learning Team at Alki to discuss the unit of study at each grade level. There will be opportunities for Q & A and resources for you to use at home that reinforce school learning.
- Principal Skeffington will be also sharing a bit about our new district-wide math curriculum adoption (enVSION Mathematics) and the components and links to home support of your scholar this year.

- The event is sure to be a great, informative, and family/ community centered time. Please note STUDENTS should plan to attend this event with their families!

WHY JOIN THE PTA? The number one reason to join the Parent Teacher Association is to benefit your child. In doing so, you also help your school. But there are many more PTA advantages from pta.org:

- **Get Connected** There's no better way to know what's happening in your school.
- **Speak Up** PTA can be a way for you to more effectively suggest change at your child's school and vote at membership meetings.
- **Discover Great Resources:** The PTA offers a variety of programs designed for parents as well as students.
- **Witness Improvement** By getting involved at your child's school you'll be part of the solution, helping make positive changes. Local PTAs play an important role by supporting building improvements through advocacy and play an important role in fundraising for curriculum-based programs and social events.
- **Be a Role Model** By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
- **Enjoy Substantial Benefits** Individuals and local units can take advantage of a host of benefits from PTA membership including discounts and offers from member benefits providers and sponsors, magazine subscriptions, leadership training, e-newsletters and much more.
- **Tap into a Network** PTA functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind. You can share ideas, concerns, and experiences.
- **Watch Yourself Grow** By volunteering with your PTA, you put your skills and hobbies to use for a noble cause—your child and all children in the community.
