

WELCOME TO THE ALKI PARENT TEACHER ASSOCIATION

Hello Alki Families!

The Alki Parent Teacher Association is a parent-driven volunteer organization dedicated to supporting an engaged community that partners with our school to advocate for every child.

Our organization collaborates closely with Principal Skeffington, our educators, and families to provide volunteer and financial support for programs and activities that would otherwise be well beyond our school's budget or time constraints. They include:

School Operations and Educational Programs For 2022-2023 school year, our school grant will fund our school hourly support staff, Assembly Enrichment, Spirit Wear T-Shirts, Classroom Discretionary Funds, Recess Equipment, School activities such as Alki heroes, spelling bee, patrol, global reading challenge, fish tank, and more.

Enrichment & Community Building Events Back to School Events, Family and Community Events, Monthly Staff Appreciation & Appreciation Week Celebration, Bike to School Events, 5th Grade Graduation, Enrichment Program, and Reflections National Arts Program.

Volunteer Support for Self-Sustaining Programs School Supply Packs, Alki-a-Thon, Box Tops, Scholastic Book Fairs, Spirit wear, Yearbook, and Musical.

There will be many opportunities this school year for families to weigh in and get involved as we assess, digest, and work to improve Alki's climate ensuring it is optimal for our children to learn and succeed in. Our vision is only as diverse and complete as our membership, and every family is an honorary member of our PTA. While we encourage all who support our mission to join the PTA and become involved in a way that fits your time and interests, it is your voice we want to hear and your experience we value as we begin this important work.

Ready to get involved? Please reach out anytime and we'll get you connected to the appropriate board or committee member.

TO OUR ALKI FAMILIES AND COMMUNITY:

You can make a difference by donating today to Alki PTA to provide support and opportunities for all Alki seagulls to thrive. Alki Elementary PTA has supported our families, school, and community and is looking forward to the same this school year. Alki Elementary PTA is grateful to be a part of the West Seattle and Alki communities, and we continuously strive to support our community's students.

Alki Elementary PTA depends on fundraising to support our Alki students, families, educators, and school programming. While Alki Elementary PTA has historically funded school support staff, Covid-relief funds have relieved us from that financial hurdle and enabled us to direct our fundraising efforts toward more enriching endeavors.

Our mission is simple: Alki PTA's mission is to support an engaged community that partners with our school to advocate for every child. This school year, our fundraising efforts directly impact all PTA initiatives, including:

School-wide engagement activities that include assemblies, yearbooks, recess equipment and staff and grade-level field trips

After-school enrichment programs and financial assistance for any families interested

Teacher appreciation, support, and partnership throughout the year

Family and Community events and programming that support our mission

YOUR DONATION DIRECTLY
SUPPORTS OUR PTA INITIATIVES
THIS SCHOOL YEAR

While we have made great strides, Alki PTA still has much to accomplish. Would you consider making a tax-deductible donation to help us achieve our mission and hit our fundraising goal of \$10,500? With your donation, we're one step closer to realizing our vision! If you want to know of other opportunities, we offer to make an impact; please contact us at fundraising@alkipta.com or vp@alkipta.com

Alki Elementary PTA thanks you for supporting our local school community.
